*The Official Newsletter of The New Ulm Area Sport Fishermen*

Sep-Oct 1992 • Vol 1 • Issue 9

## From the President

The Minnesota River Rally and Convention has come and gone. Let me start out by saying thank you to all the volunteer help that made the entire event possible. The New Ulm Area Sport Fishermen proved once again that they are a group that goes much beyond the call of duty to show the region we are committed to our original mission statement which reads, "To improve fishing opportunities and further the sport of fishing through improving water quality and fish habitat."

We need to thank those volunteers that are not members of the NUASF for their effort. Phyllis Vorwerk, Richard and Loraine Boesch, Delores Ahlbrecht, Ruth Mecklenburg, Mary Lou Nelson, Valeria Carlson, May Ellen Domeier, Bob Hulke,

and Gerry Braulick.

After the last, and may I say quite productive meeting many issues were discussed. With the fine tuning of our efforts I am confident that next year will be a fantastic one day affair. We have come a long way and should never minimize the impact we have already made with regards to the Minnesota River and area water quality.

Mark your calendars for January 15-16, 1993. The annual Mille Lacs Lake winter fishing trip is set for that date. A \$20.00 non-refundable deposit is required by December.

The date for our Fall clean-up is Saturday, October 24th with a meeting place of Riverside Park at 9:30 AM. Joining us will be the Girl Scouts and 3M. Rip Rap of River-

side Park is one thing that will be tackled. Some club representatives will lead clean up groups and others will work on Rip Rap. 3M Corp. is buying all the food for the lunch which will be at 1:30 PM that day at Minnecon Park. Dress warm, bring footwear that will withstand mud, gloves, and a pick-up if you have one. Also, if anyone has a canoe or boat, feel free to bring it, in case of water garbage.

Our group owes a debt of gratitude to some extra special sponsors. Ted Marti and the August Schell Brewery for the treatment they give us not only at convention time but year round, Greg Palmer and General Trading company, the New Ulm Building Center, Kraft Inc,

## Mille Lacs Fishing Trip

This years trip has been set for January 15-17, 1993. We will again be going to Jerry Brandt's by charter bus. The cost will be about the same as last year. It could be less if we get more than twenty four people to go. Now is the time to start making plans. If you have a friend who is not a member he is still welcome to come along. This is a trip you won't want to miss.

## Membership Drive

For the months of October and November we are having a membership drive. Any present member who signs up the most new members during this period will receive a quilted club jacket. All you have to do to sign someone up is get their name, address, and twenty dollar membership fee. Let's get out there and see how many new members we can bring in the next two months.

## River Cleanup

On Saturday, October 24th at 9:30 AM we will have our second cleanup on the Minnesota River for this year. We will also start the rip rap project at Riverside park. We have lined up the equipment for moving the rock around but are still going to need people to help spread the rock. We would like to see a lot of you out there that day. If we get enough help it won't be that bad of a job. For more information call Mike Deinken at 359-9650.

## Clear Lake Update

The lake level is down quite a bit from this spring but hopefully some fall rains will bring it back a bit before the winter sets in. The fishing is awfully slow, although I did see fish on the locator when my son and I were out there last Sunday. There is much trash lying around the parking area and landing. I spent about five minutes picking up while I was waiting to load my oat. I hope you will do the same if you happen to be out there someday.
