Paint & Fix-up Day at the Club House to be held on Saturday, August 22nd

We have been putting it off all spring and most of the summer. We can no longer put it off. Fall is fast approaching and before you know it, winter will be here. The Club House needs paint real bad. Rod Mueller, of Rod's Painting, has been kind enough to donate enough stain to give the building two coats. There may even be enough left to do the outhouse. The fish house also needs to be painted and something done with the roof. We will also be doing some landscaping to control runoff through the parking lot. This seems like a lot to accomplish in just one day, but, with enough help it should be no problem.

We will need a couple of stepladders, shovels, garden rakes, perhaps a wheel barrow or two. We could also use a couple of brooms or stiff brushes to clean the cob webs and dirt before we start painting. There is

quite a bit of work to be done, but, if enough people show up we should be able to finish in one day.

We have set Saturday, August 22nd

as the date for this project, with a starting time of 8:00 a.m. There will be lunch served that day. We hope to see a lot of you that day.

FROM THE PRESIDENT...

Our youth anglers attracted 58 kids to their fishing contest and by the sound of things they had a successful contest in many respects. The following week the group had a pretty good attendance at their meeting with many new prospective members showing up. So on that front the kids did well. As far as fishing goes there were a lot of fish caught also and many prizes that the kids collected were appreciated and given away. We look forward to a more detailed report at our next meeting.

Membership continues to move forward with new members being signed all the time. We welcome Smiley Wiltscheck from our last meeting.

Two new board members were elected at the last meeting, they are Ken Sutherland and Dave Mecklenburg.

Believe it or not, there was quite a bit of discussion at our last meeting about our annual Winter fishing trip. Please bring your opinions and suggestions to the next meeting, as we will be discussing where and when.

Our thanks goes out Cabella's and Al Zwack for arranging prizes for the kids contest.

Don't forget about the work day planned for the club house. Rod Mueller has donated all the paint, be sure to thank him in any way you can (maybe buy him a beer) or whatever. Remember he also was the member who signed up the most new members last year too.

I won't be joining the club at the next meeting so keep our Vice President and Secretary in line and on task.

See you at the next function!
