UPDATE

Clear Lake restoration moving along

The Clear Lake restoration project is moving along quite well. All affected landowners have been contacted, and they have all agreed to let the project go forward. If everything falls into place, the lake will be treated this fall.

We are in the process of starting a fund drive to help the DNR pay for the treatment of the lake. Thus far Sleepy Eye Sportsmans Club has pledged \$1,000.00, and at the last meeting our Club had pledged \$1,000.00. We have set a goal of \$10,000.00 to be raised by December 1, 1998. We hope to get other area service groups and individuals to help us reach this goal.

The lake looks pretty tough right now. The last Seechi disc readings were only 2 ft. The water is very brown with lots of suspended algae. The only fish that anyone has reported catching are bullheads.

Board of Directors to add two members

At a previous meeting it was decided, because of the growth of the club, to expand the NUASF Board of Directors by two members. We have been looking for prospective candidates for several months and no one has come forward. At the July meeting we will be electing two more board members, therefore we will be needing at least two people to be nominated for these positions. There is not a lot of work involved but it is an important position.

We hope there are at least two of you out there who are willing to help the club move into the next century.

Food Stands will be at Cash Wise and Randall's

As you may know by now, we will be running food stands at two local grocery stores this summer. The first will be August 7th and 8th at Cash Wise Foods. The second will be at Randall Foods on September 2 - 3 - 4 and 5. There have been some people to work some of these dates, but we still need more. We will be working in four hour shifts. We need you help in filling these shifts as every penny made at these food stands has been designated to help with the Clear Lake restoration. If you are able to help, contact Mike Deinken or Jerry Carlson.

FROM THE PRESIDENT. . .

Well the heat of summer is really here and fishing is as usual, a hit anmiss proposition. Some of the club had an opportunity to take the Camp Courage kids for a fishing outing and boy did they have fun. Russ Radenbaugh helped one camper land a big fish and I don't know who had the bigger smile on his face. All I can say is thank you to all who participated, what a quality experience for everyone. My special thanks to the Studtmanns and especially NUASF member Jeff for his gracious use of the pond and his help in the whole affair.

I hope all of you who have fishing dairies are marking down your outings and please, if you don't have one, just ask and we'll see that you get one. I have 4 left and there are more available.

Clear Lake is not at a stand-still; there are many things happening. We have set funding goals and have started the ball rolling with a generous donation of our own towards the fish population reclamation of the lake. Much discussion has been raised about the future of keeping undesirable species from infiltrating Clear Lake. We will continue to look at how we will best accomplish that task once and for all.

Membership Update

Our membership is still holding at 108. We do have an alarmingly large amount of members who are one or two months behind with keeping their dues up to date. We need you to keep your dues paid so this club can remain strong and vital for keeping our waters clean and improving our fishing opportunities. So please, for a chance of a quality fishing experience, keep your dues up to date.

Club Clothing For Sale

Jackets • Tee-Shirts • Hats

If we don't have your size, we can get it.. Reasonably priced.
They also make great presents.
