Camp Courage fishing day

Once again this year we will be giving a group of children from Camp Courage the opportunity to enjoy the fishing experience. This year the outing will take place at Studtmann's Pond just south of Courtland. The outing will begin at approximately 4:00 p.m. and finish at about 7:30 p.m. with a picnic lunch. The kids will need help with the fishing, so we need several volunteers. The youth fishing group will also be helping this year. If you are available to help that evening, just show up around 4:00 p.m., or whenever you can get there. If you need directions to Studtmann's, give Mike Deinken or Scott Sparlin a call.

Tip Line

Try to avoid submerging the rear axle of your car or pickup when you launch a trailered boat, because water may get into the axle housing and contaminate the lubricant. If the axle should go under play it safe by draining and replacing the fluid.

PROJECT TOUR

Before this month's meeting, there will be a tour of all the projects our club has been involved with since it's

inception. Some of our newer members have been asking to see some of the things that they have been hearing about since they have joined. On June 25th, the evening of our next meeting, whoever is interested in taking a tour of these projects should meet at the bus garage at 5:15 PM. From there you will take a van to visit each of these sites. After the tour we will be holding our June meeting at the club house.

Club Calendar

June 24th.....Camp Courage Kids Fishing - Studtman's Pond 4:00 p.m. to 7:30 p.m.

June 25th.....Project Tour. Leave from Bus Garage 5:15 p.m.

Meeting at the Club House 7:30 p.m.

FROM THE PRESIDENT...

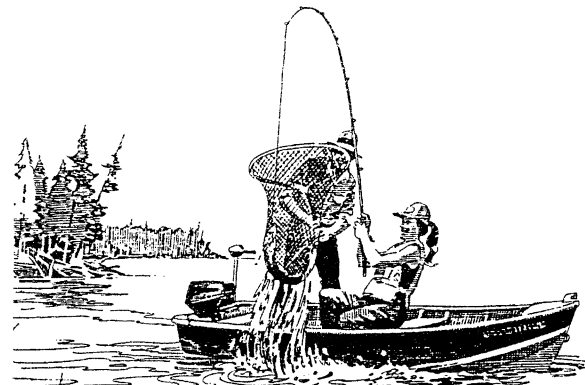

The New Ulm Area Sport Fisherman are once again working with the Camp Courage to offer a fishing experience to the physically challenged campers of our area. On wed. June 24th, we will be meeting at Studtmann's Pond in Courtland at 4 PM. Afterwards a picnic is planned. Even if you can't make it until 5 or 6 we would urge you to consider coming anyway. We need all the help we can get. If you plan on coming, please call and let club secretary Mike Deinken or myself know so we can plan for how much food we will need. Mike's number is 359-9560 and mine is 359-2346 if no answer, please leave a message. If you have an extra rod and reel bring it, we have some but always need more.

Don't forget about the field trip before the next meeting, we will visit area projects and review their progress and status.

This next meeting will be stimulating: many issues and items will be covered. We have reached an agreement on Ditch #36 and I will discuss the terms. There will also be a presentation from the MPCA. I have some news about Clear Lake from Hugh Vallient and a host of other things as well. So we will see you either at the field trip or at the club house. Don't forget to bring a friend or an interested party.

Tip Line

Going ashore to fish the bottom of a steep shoreline is sometimes better than casting from a boat. From shore, the angle of the retrieve keeps the lure close to the bottom, while from a boat, the lure starts immediately to angle up and away from it.

Club Clothing For Sale

Jackets • Tee-Shirts • Hats

If we don't have your size, we can get it.. Reasonably priced.
They also make great presents.

Summer Food Stands

This summer the club will be working the food stand at two New Ulm grocery stores. Last year, for the first time, we tried our hand at this type of fund raiser. We got involved late, so the best weekends were already taken. Even though it was the middle of September before we could get in, we did manage to make almost \$150 that week-

end. The best part of the fund raiser is, no setup, no preparation, and no investment to get it up and running. We do need volunteers though. The best scenario is for three people to be working at all times. we have divided the days into four hour shifts for those who would like to help, but can't put in a full eight hours. On August 7th and 8th we will be at

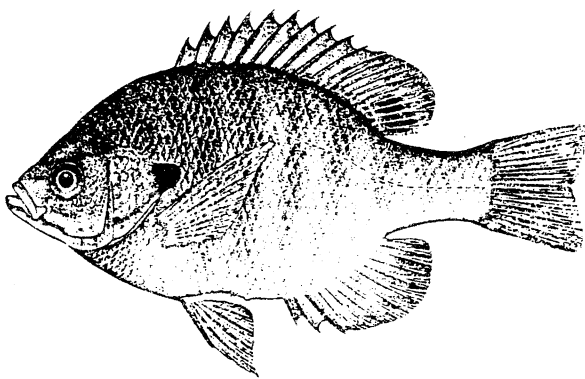

Cash Wise Foods. On September 2 - 3 - 4 - 5 we will be at Randall Food's. We have an opportunity here to make an upwards of \$800 and all we need to do is cook brats and hot dogs, and visit with people. Check your schedule, think about it and let us know if you can help. There will be sign up sheets at the next two meetings.

Membership Update

This year's membership drive has stalled a bit. There have been no new members signed the last couple of months. We are still holding at 108 mem-

bers. The only problem is we have 16 members that are past due. These past due memberships need to be brought up to date. We also need to keep bringing in new

members. A strong member base is what keeps our club strong and on the move. If you are past due, please bring them up to date, we need you.
