CLEAR LAKE UPDATE

In with the new!!

At approximately 11:00 a.m. on Wednesday, May 10th, Clear Lake came full circle. It was again stocked with game fish. A truck carrying fished trapped that morning from Clear Lake by Waseca, arrived at the landing and proceeded to deposit it's load into our Clear Lake. it was a momentous occasion, watching the newly arrived bass, sunfish and crappies being carried out into the lake. There were approximately twenty pair of each species stocked at this time. We were told by DNR personnel that there were no rough fish found in the traps that were placed in Clear Lake after it was treated. This is the best possible situation, as we will be starting with a clean pond. This should really jump start the fish that have been stocked. All fishing will also be closed for one year. There is a chance that some of the panfish could spawn three times before fishing is allowed. It

has been a long time coming. There was a lot of work with our food stand to raise money to help pay for the restoration. And the negotiations seemed to go on forever. But we did it, finally. Thanks to everyone for the extra

effort and a special thanks to the Minnesota DNR for seeing this protect through to the end.

Food Stand

We don't quite know what to do about the food stand this year. It was the general consensus that we would like to have it open three or four times this year. The only problem we have is, Jerry Carlson is unable to manage it. We need

FROM THE PRESIDENT...

Well the lake is stocked! Wonders never cease. It will be closed for a year to assess the population and if an additional 6 months is needed it may be closed over that summer. Now we can concentrate on getting the aeration system hoses down again and get the walkway back up to snuff. Won't it be nice to have the lake for the fishing contest again. We can get our houses out and really enjoy a close drive home.

Bring a friend to the next meeting and receive a beverage of your choice for you and your friend compliments of the club. I know I bring this up constantly, but we are only as effective as our membership base. Our pamphlets about the club are available, throw in a few in your vehicle and keep them on hand for when you run into someone. You never know when that will be, I can't tell you the unexpected times I have needed them to explain our organization to people.

I have been approached by the Camp Courage coordinators to ask if we can do the fishing outing again this year for the physically challenged kids. As usual I told them it was already marked down and to just give us the date. She told me two possibilities, Wednesday, June 21st or Thursday the 22nd. I told her we would pick one at this next meeting. The plan will be to meet at Studtman's at 4 p.m. and go 'til 6:30 and have a picnic following. I would urge all club members to participate. This is a very special group of kids and they bring so much joy to everyone who participates.

We will be planning the final date and times for the Summer Kids Fishing Contest at Riverside Park in July at this next meeting. Bring any additional ideas you may have.

We will be picking three "social" nights to come out to the club house. One in each of the next three months to enjoy the grounds and possibly barbecue etc. It will be open for discussion.

Here is my fishing tip for the month. You can't catch nothin' unless you make time to go and just do it. Rip yourself away from whatever you are doing no matter how important you think it is and blow it off, life is just to darn short to take yourself that seriously. I mean it! See you on the river, and at the next meeting.

The Official Publication of the New Ulm Area Sport Fishermen

The Hook Line and Sinker is published monthly by copy haus for the New Ulm Area Sport Fishermen. The opinions expressed in this newsletter are solely those of respective writers and not to be construed as the opinion of the NUASF or its members. Send all correspondence and submissions to Mike Deinken, Editor, 1022 Spring Street, New Ulm, Minnesota 56073.

The NUASF Board

President - Scott Sparlin (359-2346); Vice-President - Jerry Carlson (354-8869); Secretary / Treasurer - Mike Deinken (359-9650); Board Members: Jim Huelke (354-3654), Dave Mecklenburg (794-7859), Ken Sutherland (354-4140).

You still have a chance on the Canadian Fishing Trip Raffle

It was decided at the last meeting to postpone the drawing until the May meeting. You still have a chance to be the lucky person who will be going on a three-day Canadian fishing trip to Lake Diefenbaker in Saskatchewan. Chances for the drawing are \$5. If you can't make it to the meeting you can contact Mike Deinken to purchase your chances.

Kids Fishing Contest

We will again be sponsoring a fishing contest on the Minnesota River for area youth. The contest has tentatively been set for either July 18th or 19th. This will be the third Kids Fishing Contest and it has grown considerably from the first year. We look for an even bigger turnout this year. There was also some discussion at the last meeting about getting a Youth Organization going again. We would possibly pick 3 or 4 kids and treat them to a fishing trip up north. They would then be in charge of next year's fishing contest. There will be more discussion at the next meeting.

River Cleanup

On Saturday, April 29th, we held our annual river cleanup on the section of the Minnesota River we have adopted. It was an absolutely beautiful day. There were about twenty members of the NUASF and the 3M RRATs walking the banks of the river that morning. We covered our entire section, part of the RRAT's section and a dump site at the quarry and one at Heymann Creek. This is about twice the area we are usually able to cover. The best part of this cleanup was the fact that we only collected about half of the trash we usually do. To add to this astonishing fact, we didn't do a cleanup last year. At noon we relaxed at Minne-Con Park and had lunch. Thanks to all who helped that day. A special thanks to Tom Kannegiesser, from Subway, for donating sandwiches for our lunch.

Food Stand continued from page one

someone else who would be willing to take this project. Jerry has said he would be willing to help whomever, so they would not be going in without knowing what needs doing. If you are or might be interested, please come to the next meeting.
